

Portkeys LH7P

SKU: PK-LH7P

Description

Looking for a budget-wise 7-inch wireless monitor for a Sony or Blackmagic Design camera? Check out the Portkeys LH7P. With its Polycarbonate and ABS construction, the LH7P is robust and lightweight, especially for its size, (only 245g/8.6oz without battery). However, thanks to its daylight-viewable touchscreen, four user-assignable function buttons, and 3 1/4" -20 mounting points at the bottom/left/right sides. The LH7P extends your camera and camera rigs and significantly improves your productivity on set.
