

Portkeys PT6

SKU: PK-PT6

Description

For a low budget the Portkeys PT6 stands out as a lightweight on-camera touchscreen monitor, all within a impressive compact design. Crafted from durable polycarbonate and ABS materials, the PT6 housing contributes to its featherlight weight of just 170g/6oz (battery excluded). With a peak brightness of 600nits, this monitor is ideal for indoor shooting or studio setups with controlled lighting. Featuring a 10-bit (8+2 FRC) panel, ensuring precise color rendition delivering accuracy and lifelike colours.
