

## Portkeys LH5P II

SKU: PK-LH5P-II

### Description

The Portkeys PT5 II is a lightweight 5-inch on-camera monitor, perfect for content creators and filmmakers starting out or looking for a budget-friendly monitoring solution. Thanks to its polycarbonate housing, it only weighs 150g/5.29oz. At the same time, the toughened glass in front of the touchscreen display will protect it from scratches. With its compact dimensions of only 136 x 72 x 18.3mm, shooting with the PT5 II feels like having a smartphone on your camera, but with many additional useful features to make your life on set easier.
