

Portkeys BM7 II DS

SKU: PK-BM7-II-DS

Description

Looking for a budget-wise 7-inch workhorse on-camera monitor? The Portkeys BM7 II DS expands many features of our famous BM5 III WR monitor. It's touch screen display is crisp, crystal-clear, and daylight-viewable. Camera operators benefit from the four user-assignable function buttons, a full suite of professional monitoring tools, the capability to control your camera wired or wirelessly. The sherries on top are the bigger screen real-estate, more input/output ports, and new video monitoring capabilities.
